COUNTY COUNCIL

Making Surrey a better place

From 1 April 2011 selected Surrey libraries will be the only place you can apply for a concessionary pass (your existing pass is still valid).

Your district or borough no longer provides this service due to new Government legislation.

You can travel for free from 9.30am-11pm (any time if you are disabled).

Getting your free bus pass couldn't be more simple:

- Check if you qualify for a free bus pass online or by phone.**
- See the list on the right to find your nearest library.**
- Check what documents you need to bring with you**
