

All Members,

This is to announce that the MRA AGM, scheduled for Monday 30th March 2020, has been cancelled. We are sure that this will come as little surprise to members and that this is a decision that you have already anticipated.

We plan to re-schedule the meeting later in the year.

Many of the volunteering initiatives we refer to in the latest edition of Merrow Life are simply impractical at present. They have been overtaken by events and will be deferred for now. In the meanwhile, we are exploring options to be able to provide help to the elderly and infirm in the community and those who are self isolating and may need both physical and mental support. We are talking with local churches and local councillors; and sharing experiences with Burpham, who are already moving down this path.

All best wishes in these uncertain times.

Andrew
