

If you are celebrating Diwali this year and are intending to have your gold jewellery at home, keep your house safe, sound and secure by:

- Storing your valuables securely in a safety deposit box or bank vault
- Consider installing a safe that meets British Standard EN 1143-1
- Add other home security measures such as: CCTV, alarms & motion sensor lighting
- Include your jewellery on your home insurance
- Mark your jewellery with a forensic marking product
- Don't post photos of your jewellery on social media
- Don't store jewellery in your bedroom

If you are a victim of a burglary, please report this to us straightaway on **101** or via our website www.surrey.police.uk.
