Please take your seats by **7:30 pm**

Open to everyone. www.fostj.org/blog

St. JOHN THE EVANGELIST MERROW Church Building History

A fascinating history from the 12th Century origins of the Church in the reign of King John through the Victorian expansion of the building in the 1880s to the 2012 reordering and ongoing work today.

We will take you on a journey through the history illustrated by images, the Church fabric itself and important artifacts.
