Dear Neighbour,

I hope you're well.

There have been a few enquiries about whether the School Street initiative is being led by St. Thomas of Canterbury School. To clarify this is a Surrey County Council consultation and the school is one of the consultees.

As a local resident, you've been invited by Surrey to share your views, and you should have received their information letter explaining how to do so. We all want our local roads to be as safe as possible, so please do share your thoughts on whether a School Street would be helpful or not.

Many thanks,
Kind regards,

Kate Carter
